# OPERATIVE OF THE MONTH

We believe that every successful project begins with the people behind it, which is why our Operative of the Month initiative is designed to give back and shine a light on our operatives who receive excellent client feedback, maintain a strong relationship with us, or simply do a consistently great job on-site. Congratulations to Nigel, Endalk and Ermiyas for being our Q2 winners!

## CP ACADEMY

We offer a range of training programmes for our operatives to benefit your skill development, including:

- Manual handling
- Asbestos awareness
- Working on heights
- Face-fit training

This is just to name a few. Our aim is to prepare you for site as much as we can, so that you have all the skills you need for success!

Contact [Lorena@cavendishprofessionals.com](mailto:Lorena@cavendishprofessionals.com) for more information.

## MEET LOUIE

We welcome our new Resourcing Consultant, Louie, to the Construction Division. Louie joins the trades and labour team, supporting the team in building client and candidate relationships.
